

Extraordinary moment desperate Palestinian women fought and BIT an Israeli soldier after he put boy with a broken arm in a headlock at gunpoint

The soldier placed the boy in a headlock (left) while armed with a machine gun during clashes between Israeli security forces and Palestinian protesters in the West Bank. With terror etched on his face, the boy is powerless to move as the gunman towers over him, with the muzzle of his weapon just inches from his cheek. But as he pins the boy to a rock, the soldier suddenly finds himself ambushed by a young girl who forces the weapon from his grasp and bites his hand (top right). Meanwhile, two women claw at his balaclava-clad face (bottom right) and drag him off the youngster, who has his arm in a sling. Eventually, the gunman flees the scene, leaving the young girl to cradle the
